## *Shahida*

Shahida (Arabic for "she who witnesses") is a fixed audio piece made from three types of acoustic sound sources: unprocessed vocals by my collaborator Sukato; minimally processed shimmering sounds made from my voice saying "Shh"; and minimally processed metallic sounds and changing-harmonics I recorded using a piano's strings, keys, and metal frame.

**Kala Pierson** is an American composer and sound artist. Her vivid, expressive, and rhythmically free works have been performed by prominent ensembles and soloists in more than 25 countries on six continents, and widely commissioned.
